Self Employment - Graphic Designer/Illustrator 9/98 to Present

Clients have included:

N&M Enterprise Gardena, California

N&M Enterprise is a medium sized printing company specializing in large format printing. Designed a series of 9 large-scale stylized images which were digitally printed on canvas, 16' tall, 40' wide. These were rented to large events throughout the Los Angeles area as decorative backdrops.

Informatica Redwood City, California

Informatica, known as the data integration company, is a leading provider of enterprise data integration software. Created original illustrations and designs for promotional t-shirts.

Humitech San Luis Obispo, California

Nationally distributed catalogs, logo development and packaging for a variety of products marketed under Humitech including VasoHeal, Mr. Moisture (cigar products), and Com Safe (pilot earphone products).

K.O. Gear San Luis Obispo, California

Small martial arts clothing company started by UFC champion Chuck Liddell and his partners. Designed logos, t-shirts, jackets, boxers, and created original illustrations. Projects required me to direct photography shoots for optimal product marketing and work closely with printers to customize finished products.

Jester's Dead San Luis Obispo, California

Logo, poster, flyer designs and album art for one of the California Central Coast's reigning ska bands.

Sacramento Unified School District, Sacramento, California 2/03 -7/05

High School Geography, Social Studies, and Art Teacher

America's Choice High School is an inner city charter school in the Greater Sacramento Area.

Began as a substitute teacher which quickly developed into full time job employment teaching art and geography for a combined tenure of about one year. In addition to daily teaching and development of at-risk students, I also created and implemented lesson plans. Graded and scored students tests/homework/projects and managed several classes.

SMASHED! Inc., Barcelona, Spain 5/02 - 12/03

Graphic Designer, Operations, and Sales Manager

Medium sized tourism, special events, and nightlife company which operates in three cities (two different countries), owning three separate bars. Co-managed this special events company with partners. Hosted tourist events throughout the nightlife of Barcelona, managed a small hostel, coordinated events with associated vendors, designed the company web site and promotional material, photography, and created an advertising video. Managed up to 13 staff members, responsible for company's accounting, oversaw sales and the activities in affiliated bars and clubs.

Douglas Bouman & Associates, San Luis Obispo, California 9/00 - 6/02

Graphic Designer, Painter

Internationally recognized mural and fine art company. Served as a contract graphic designer and painter. Created wall decorations for The Lucayan Casino in the Bahamas and a ten piece series now featured in the new restaurant on the top floor of The Stratosphere Casino in Las Vegas. Part of a five-artist team sent to Riyadh, Saudi Arabia, for a series of ceiling murals at the new four star Four Seasons Hotel. Designed and managed the company web site, operated the office, and took part in several other projects as a designer.
